Section 13-120. Coordination of Work --

The several agencies of the city shall devise a practical and working basis for cooperation in and coordination of work, eliminating duplication and overlapping of functions and shall, so far as practicable, cooperate with each other in the use of employees, land, buildings, quarters, facilities and equipment. The head of any agency may empower or require an employee of another agency, subject to the consent of the head of such other agency, to perform any duty which might be required of the employees of the former agency. Whenever, in this charter, power is vested in an agency to inspect, examine or secure data or information or to procure assistance from any other agency, a duty is hereby imposed upon the agency upon which demand is made to render such power effective.
